

RHA Benevolent Fund

a helping hand in times of need!

Centurion Scheme

Who do we Help?

The RHA Benevolent Fund provides support to the people that keep the industry going. It gives back to those who have given so much.

The fund depends almost entirely on its ability to show benevolence via generous financial support from members who donate often when they renew their membership. This has enabled the Benevolent Fund to extend this help to many

A major source of income for the Benevolent Fund is from the Centurion Scheme.

The annual subscription to the Centurion Scheme is £100. Each month a draw is made with the first prize of £125, second prize of £75 and third prize of £50.

Each June the top prize is £500 with second and third prizes remaining the same amount.
