Your Daily Defect App from the RHA

FULLY
INTEGRATED

SIMPLE
Uncomplicated and easy to use

Integrated
with RHA Analysis and additional features

Reliable
from the RHA, the voice of the industry

Download the RHA Daily Defect App so your drivers can use a smartphone to complete their daily walk around checks.

Say goodbye to manual hand-written defect checks, and hello to real-time visibility of defects, driver-hours and automated reporting.

Search **'RHA Daily Defect App'** on Google Play and iTunes for compliance peace of mind or call 01733 263 434.

- **Reliable and secure – time-stamped for accuracy**
- **Minimises vehicle downtime and paper-based admin**
- **Customisable checklists for your business**
- **Full training, online help and helpdesk support**
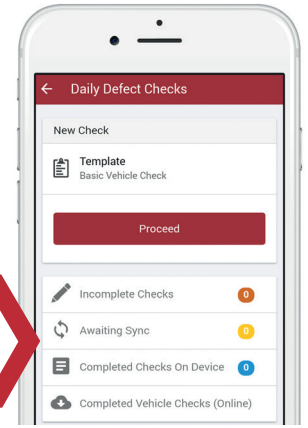

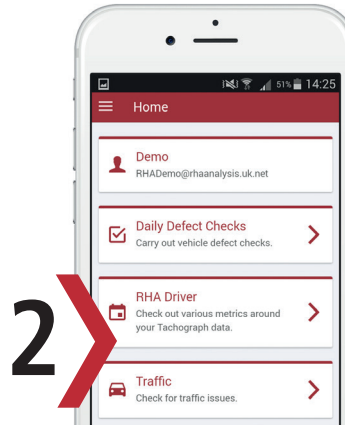

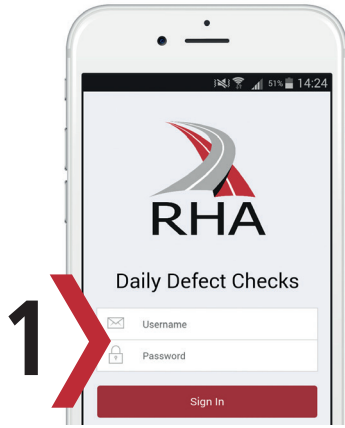

RHA
Daily Defect App

SIMPLE. INTEGRATED. RELIABLE

HOW DOES IT WORK?

Your Daily Defect App is fast and simple to use

STEP BY STEP

1

Log-in to the app using your personalised registration details
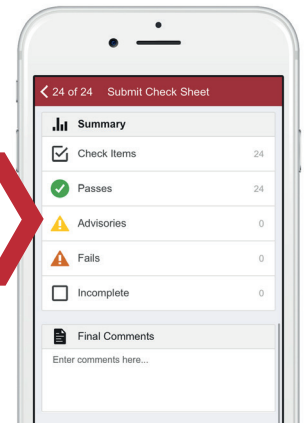

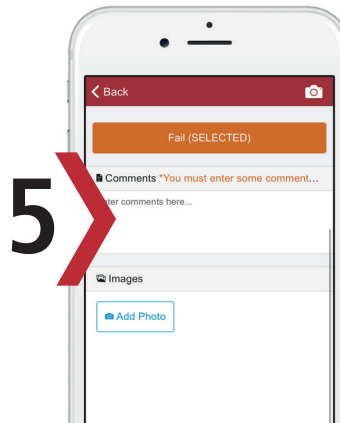

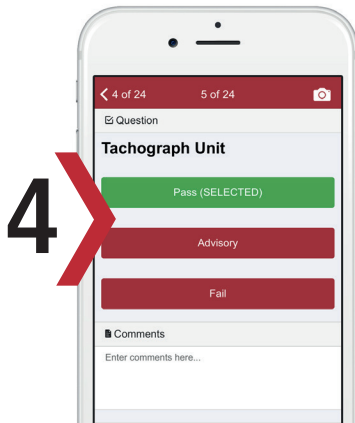

2

Either start your **Defect Check,** view your **Tachograph Data** or see **Traffic Information**

3

Carry out the standard **DVSA check** or your own **enhanced template** if you've made one

4

The RHA Daily Defect App gives you **instant pass…**

5

…**or fail,** with space for photos and details of defects found

6

Once completed, you can see an **overview** of your daily check

AND SUBMIT

Electronically sign and automatically **submit** to your Traffic Office

7

ALSO...

Use the app to check for **traffic updates**

RHA Analysis customers can **track driver-hours and infringements**

Join thousands of other RHA members using the RHA DAILY DEFECT APP
